Docket No 7774

Dear Sir/Madam,

I would like to be added as a petitioner of the Humane Farming Association V Jane Henney, FDA Docket No 7774. I reside at 31192 Lancewood Drive, Brooksville, Florida. My Husband, Emery E. Thomas, (1918-1996) an automobile mechanic and farmer, died at our home on October 31, 1996 of CJD. Confirmed by spinal tap and autopsy. His initial diagnosis was dementia or 'just old age'. He did eat animal brains and had blood transfusions in 1987.

Thank You,

Alice Thomas
